FLOAT MY BOAT WARNS ALL HIRERS THAT KAYAKING IS A DANGEROUS ACTIVITY WHICH INVOLVES INHERENT RISKS.

The signing of this 'warning' or 'risk' document is an acknowledgement that the hirer(s) is/are aware of the inherent danger involved in kayaking activity. In the event that negligence on the part of the hirer(s) results in injury or loss the hirer(s) is not covered by *Float My Boat Kayak Hire & Adventure*'s insurance.

The Hirer:

1) Acknowledges having inspected the goods at the commencement of the hiring term.
2) Shall not hold the owner liable for any damages or injuries arising from any defect or deficiency in the design, manufacture or condition of the goods.
3) In the event that a kayak, paddle or personal floatation device (PFD) is returned in a damaged condition, the hirer agrees to cover the cost of repair or replacement at the discretion of the management.
4) agrees to limit his/her use of the goods to the hire limits **(within approximately 150m from the coastline)** and to obey all reasonable instructions given by the owner. Where kayaks are being used for fishing purposes, it is vitally important that anchors are used and kayaks avoid being dragged out to sea by a catch.
5) agrees to cover any costs incurred through the need for emergency or coastguard services.
6) agrees to keep VHF radio on at all times in case of emergency and is familiar with necessary action to be taken in such a case.
7) acknowledges having received a copy of this agreement at the commencement of the hiring period.
